Petunia Superbissima Nana (Dwarf Ruffled Giant)

Germania Seed Company NOT INC.

6332 NORTH CALIFORNIA AVENUE

CHICAGO, ILLINOIS

NEW PETUNIA
LARGE FLOWERED FRINGED
"Golden Jubilee"

Introduced by Ernst Benary, Erfurt, Germany. This glorious Petunia is a sport from the variety "Miranda". Both have the finely fringed and delicately crinkled petals of bright rose carmine tinged with scarlet.

Golden Jubilee however, has a golden throat with light bronze colored markings. This golden yellow center gives the flower a gay and festive character, comparable to the golden trimming on a state robe. Every plant produces numerous blooms measuring about 3½" in diameter. Of compact growth, could be called a **Dwarf Theodosia**.

Tr. Pkt., \$1.00; 1/64 oz., \$2.50

Terms of Business

DISCOUNTS. When remittance accompanies order, we allow a cash discount of 5% on all orders up to \$25.00. Above that amount, 8% is allowed for cash. To customers of approved credit, 2% may be deducted for payment within ten days from date of invoice.

PRICES. All prices quoted are postpaid. This list cancels all previous offers.

DISCLAIMER. It is our endeavor to supply only the latest crop seed of the highest grade obtainable, and the quality, therefore, cannot be surpassed. We do not, however, give warranty either express or implied, as to the contents, purity, description or productiveness of any seeds sold by us, and will not in any way be responsible for the crop. If the customer does not accept the goods on these terms, they must be returned at once, and the money will be refunded or proper credit given.

NEW PETUNIA
HYBRIDA NANA
"Salmon Supreme"

This new variety is a distinct addition to the dwarf, compact group of Bedding Petunias. The plants grow bushy, free flowering, and the medium-sized flowers are of a rich salmon-rose shade, a color most attractive.

Tr. Pkt., 50c

(For other Petunia Novelties see pages 8 and 9)

NOVELTIES and ITEMS of SPECIAL MERIT

AGERATUM mexicanum nanum "Red Riding Hood". A new very dwarf compact Ageratum of a delightful rose pink color with dark rose center.

Tr. Pkt., 30c; $\frac{1}{8}$ oz., 75c

Arabis Pumila

ARABIS PUMILA (Perennial)

This dwarf wall cress is recommended for wall crevices and rockeries, even in semi-shady places. In April and May there appear above the small, dark green, bushy plants glandular, rough haired leaves and the white corymbs with comparatively large individual flowers.

Tr. Pkt., 50c

ARABIS ALPINA "Snow Cap"

This Alpine Rock or Wall Cress of compact habit is a valuable early spring flower for Alpine gardens, as an edging plant or for planting slopes. The numerous pure white flowers stand out densely above the foliage and form shining white cushions producing an effect as of little drifts of snow.

Tr. Pkt., 50c; $\frac{1}{32}$ oz., \$1.50

TWO OUTSTANDING NEW BEGONIAS

"RED PEARL" and "ROSE PEARL"

Truly pearls in the dwarf class of Begonias. Grow about 6 to 7 inches high with small bronze foliage. Of unusual compact growth and such rich-branching habit that the profusion of blooms gives the appearance of an immense umbel of flowers. For beds, borders and especially valuable for pots, both for Mothers' Day and **Winter-flowering**. Resulting from a cross by one of the leading Begonia specialists in Germany, only this originator's seed can be depended upon to come true.

Tr. Pkt., \$1.00; 3 for \$2.50

5 for \$3.75

Begonia Red Pearl

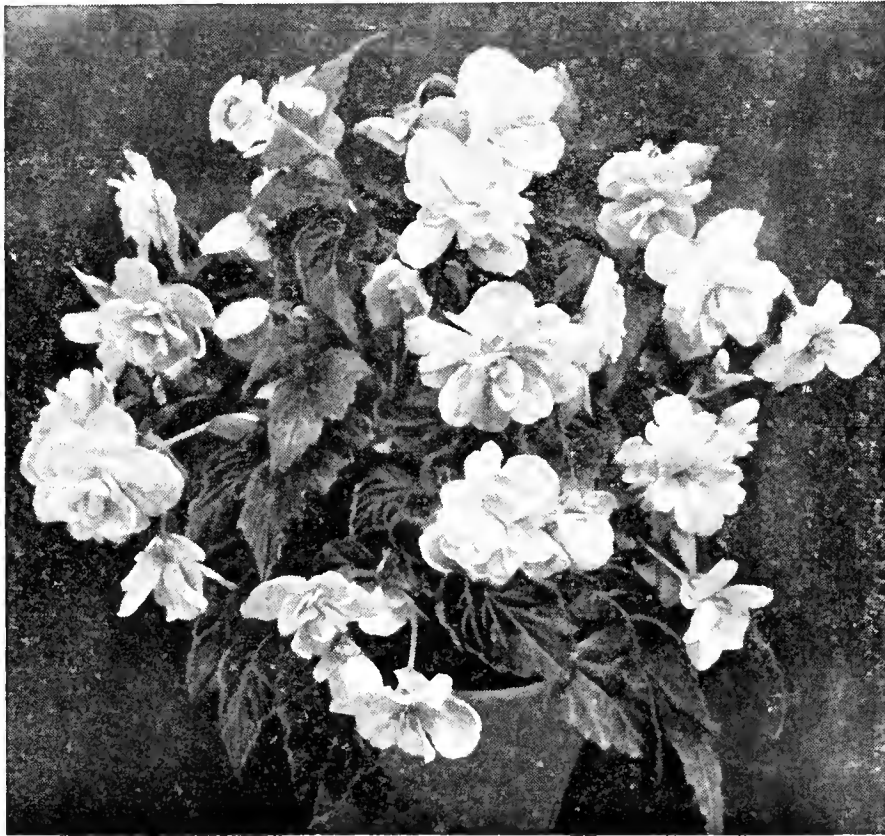

CENTAUREA (Cornflower) Jubilee Gem. A dwarf variety of cornflower making a compact plant, about 12 in. high, literally covered with double blue flowers. As an edging plant, a border plant, or for ground work in formal beds of Roses etc. it will be found admirable. The grower for market will welcome it as a pot plant.

Tr. Pkt., 25c; $\frac{1}{4}$ oz., 50c; 1 oz., \$1.50

NOVELTIES and ITEMS of SPECIAL MERIT

BEGONIA MULTIFLORA FL. PL. "Mrs. Helen Harms" (Benary)

"Mrs. Helen Harms," the richly flowering, sunproof, yellow bedding plant, takes a prominent place amongst the double multiflora Begonias.

"Mrs. Helen Harms"

We are in position today to offer seeds from "Helen Harms" which produce 90% to 95% double-flowering plants. The flowers, about 1½ inches in diameter, are the same deep canary yellow as those grown from cuttings; the foliage has likewise remained small, narrow and oblong.

Tr. Pkt., \$1.00

BEGONIA MULTIFLORA FL. PL. "Coppery Gold" (Benary)

The leaves, like those of Helen Harms, are small, narrow and longish; the rounded flowers are somewhat larger and better filled. Many flowers are like tiny roses, which are nominally very effective when opening. The combination of colors is wonderful: the foundation of old gold or golden yellow merges into copper red or coppery salmon and is usually tinged with carmine. The seedlings produce about 80% doubles; they bloom profusely and uninterruptedly from July onwards until the frost comes.

Tr. Pkt., \$1.00

BEGONIA MULTIFLORA FL. PL. NANA "MIXTURE" (Benary)

Plants raised from seed of this new "Benary" Mixture of Multiflora Fl. Pl. Nana Begonia are of a dwarf, bushy habit and very floriferous.

Tr. Pkt., \$1.00; 1/128 oz., \$4.50

CHRYSANTHEMUM, Segetum "Zebra"

Annual Chrysanthemums are some of the most profitable annuals, being also modest in their requirements and easy to grow. They bloom continuously.

Chrysanthemum Segetum "Zebra" is the first definite two-colored variety in the Chrysanthemum segetum class. The tips of the petals of these medium-sized blooms, 2 inches across, are mahogany red, encircling brilliant yellow. A gay combination of colors, peculiarly attractive. The color contrast is considerably increased by means of a dark disc. **Chrysanthemum Segetum "Zebra"** is particularly suitable for borders and edgings on account of its dwarf and spreading growth and it is valuable as a lasting flower for cutting purposes.

Tr. Pkt. 50c

CHRYSANTHEMUM LEUCANTHEMUM Shasta Daisy Double, Diener's Reselected.

The seed offered here is the best ever offered in regard to size and shape of flowers and length of stems.

Tr. Pkt., 50c; 1/8 oz., \$1.75

NOVELTIES and ITEMS of SPECIAL MERIT

BALSAM Double Bush Flowering.

Not really a novelty, but they are not at all well known in this country. Plants are 8-10 in. in height, very compact and literally covered with their double flowers, which are carried at the tips of the stems above the foliage. Makes an attractive pot plant.

Mixed Colors. Tr. Pkt., 25c;

1/4 oz. 65c; 1 oz.. \$2.25.

Balsam Double Bush Flowered

CUPHEA Firefly. Firefly has all the characteristics needed in a dwarf, compact plant. The flowers are delicately formed, fiery cerise red in color, and are freely produced. The general effect when in full bloom is a ball of fire. This subject recommends itself for the rockery window boxes and flower pots or as a border or edging plant. It is a tender annual, flowering readily in twelve to fourteen weeks from seeds, and blooms profusely throughout the summer months.

Tr. Pkt., 50c; 1/8 oz., \$1.00

HOLLYHOCK Annual Double Scarlet Beauty. A fully double Hollyhock of the Chater type which will flower in six months from the time seed is sown. The color is a pure intense scarlet and is the first of what will later be a whole race of annual double-flowering Hollyhocks. Plants will winter satisfactorily where Chaters varieties do, and the variety is classed as a perennial that blooms the first year from seed.

Tr. Pkt., 50c; 1/4 oz., \$1.25

CYNOGLOSSUM AMABILE COMPACTUM "FIRMAMENT"

**(Awarded Bronze Medal by
"All America" Council)**

This is a welcome new dwarf type of Chinese forget-me-not, selected from a mutation out of *C. amabile* Fairy Blue. Trial reports show it is true and uniform stock. Fifteen to eighteen inches tall and bushy, and of rich blue color, always in garden demand. It should prove the most popular of all cynoglossums. Its growth allows it to be planted with the pink variety, which likewise does not grow so weedy or rank as *C. amabile*. It is about the easiest thing to grow among flowers and should prove a garden favorite. It can also be used as cut flower material.

Tr. Pkt., 50c

NOVELTIES and ITEMS of SPECIAL MERIT

GODETIA WHITNEYI FL. PL.
BENARY'S "AZALEA SHOW"

A magnificent formula mixture of double azalea-flowered Godetias. The compact, bushy plants, 16-18 ins. high, flower in profusion. Pink, white, mauve, carmine, bright crimson, and crimson scarlet are mixed with bicolours to form a gaily coloured carpet of silky flowers. Owing to the large azalea-like double, wavy blooms and the carefully tested colour scale, the effect over large spaces as well as in small beds and borders is unbelievably impressive.

The easy method to grow Godetias as annuals which can be sown where required or easily transplanted, needs no further description.

Tr. Pkt., 25c; ¼ oz., 50c; 1 oz., \$1.75

FUCHSIA HYBRIDA "Double Dwarf Early Flowering Mixed." Plants produce from 85 to 90% double flowers with white, lilac, pink, light and dark blue corollas.

100 seeds, \$1.00; 500 seeds, \$4.50

FUCHSIA HYBRIDA Double Finest Mixed. Contains all the choicest varieties.

100 seeds, 75c; 500 seeds, \$3.50

DELPHINIUM GIANT DOUBLE PACIFIC HYBRIDS
(Vetterle and Reinelt)

This new strain produces plants that are 60-65 per cent mildew-resistant. The flowers are of immense size, tightly set on straight stems that are strong and whippy. The flowers **do not shatter**, and represent a truly outstanding addition to the cut flower market.

GAILLARDIA
GRANDIFLORA
"GOBLIN"

In the middle of summer when there are few herbaceous perennials in bloom this species is a great help in both herbaceous borders and rock gardens. The new Gaillardia "Goblin" is especially suitable for the latter. The plants form dwarf, 12-16 ins., broad arched bushes of close and compact habit. They are covered all over with beautiful two-colored Blanket Flowers, so that the foliage entirely disappears under the mass of bright yellow blooms with deep red zone.

Tr. Pkt., 50c

NOVELTIES and ITEMS of SPECIAL MERIT

LUPINUS POLYPHYLLUS "EVENING GLOW" (Benary)

Introducer's Description

During the many years I have been selecting these Lupins, my aim has been to fix the most desirable yellows and reds and to combine them harmoniously, in order to produce a colour effect comparable to that of the sky at sunset. These Evening Glow Lupins contain numerous different shades of light and golden yellow, chamois, apricot, pink and deep red. They will find especial favour with amateurs, who desire beautiful colour effects and will become the first choice of many. (Perennial)

¼ oz., 65c; 1 oz., \$2.40

RUSSELL LUPINS (Perennial)

New Miracle Flowers. Awarded the coveted Gold Medal at the Cheltenham Flower Show of the Royal Horticultural Society in June 1937. Prize Mixture.

Tr. Pkt., 50c; ¼ oz., \$1.50;

1 oz., \$5.00

MARIGOLD African Double Dwarf Floribunda "Little Giants" Mixed. The most unique Marigold Novelty of the decade. Groups and beds of this unusually rich flowering, medium sized Marigold appear to reflect the sunshine in all its brilliance. Color ranges from a yellow to a very bright orange, with many shades in between. Plants average about 15 to 18 in. in height. All the flowers are in bloom simultaneously and the foliage is lost to view under the golden mass. Strongly recommended for bedding and pot plants.

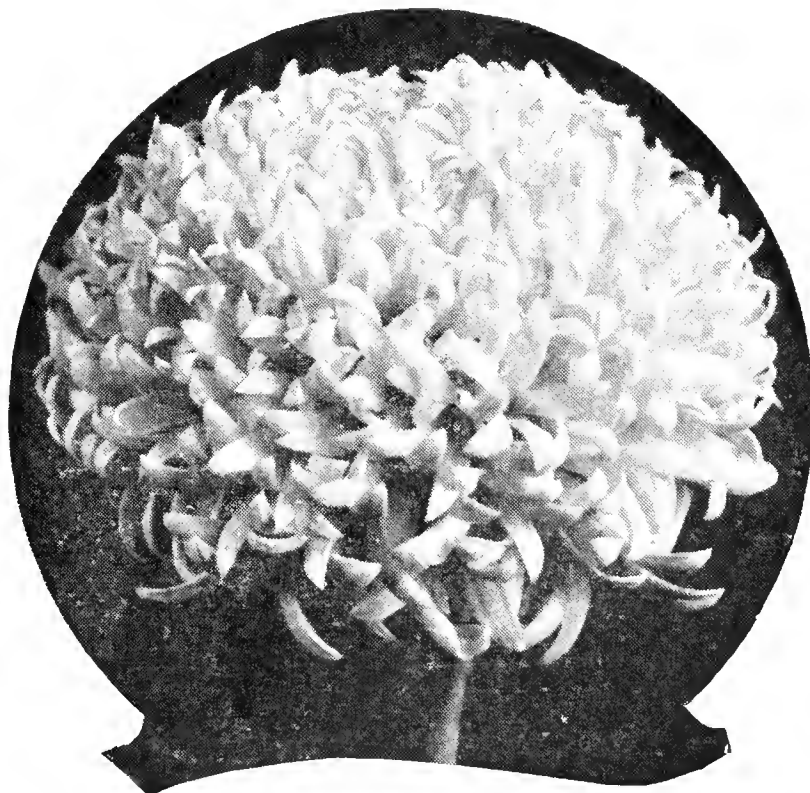

Tr. Pkt., 25c; ¼ oz., 40c; 1 oz., \$1.50

MARIGOLD EARLY DIXIE SUNRISE

(Award of Merit by "All America" Council)

Some years ago the Land of Dixie gave us Marigold Dixie Sunshine, a very desirable but unfortunately late blooming variety. Now, far from the Land of Dixie, from Canada in the North, the land of the rising sun, comes Marigold Sunrise, an early blooming form of Dixie Sunshine. The flowers are large and ball-shaped, ingeniously composed of dozens of tiny five-petaled florets, gracefully interlocking, daintily fringed in effect. The color is brilliant golden yellow, a ray of dazzling pure beauty. Of particular interest is the fact that Sunrise comes 100% fully double and blooming commences by August 15, assuring its adaptability to any locality. The plants are tall, bushy, heavily covered with the colorful blooms and remain in flower over a long period.

Tr. Pkt., 50c

Marigold Early Dixie Sunrise

NOVELTIES and ITEMS of SPECIAL MERIT

Myosotis "Annemarie Fischer"

MYOSOTIS (Forget-Me-Not)

Winter Flowering Strains

Annemarie Fischer. Very large flowering, darkest and one of the best forcing sorts. Compact growing.

Tr. Pkt., 35c; 1/16 oz., \$1.00

Isolde Krotz. Improved Ruth Fischer. Bright Blue, compact, long-blooming and most valuable pot Forget-Me-Not.

Tr. Pkt., 40c; 1/16 oz., \$1.25

Ball's Early. Very free and extra early flowering. A real valuable variety for mid-winter cutting.

Tr. Pkt., 25c; 1/4 oz., 60c; 1 oz., \$2.00

MARIGOLD French Dwarf Alldouble Royal Scot. A new Alldouble variety of the Dwarf French class. True mahogany and gold striped, dwarf.

Tr. Pkt., 20c; 1/4 oz., 35c; 1 oz., \$1.00

Marigold Tom Thumb "Golden Crown". A dwarf double Guinea Gold. Quite outstanding for uniform dwarf habit and very rich coloring; excellent for low borders.

Tr. Pkt., 30c; 1/4 oz., 50c; 1 oz. \$1.75

Marigold Dwarf French Scabious Flowered "Golden Harmony". Growing only to a height of 11 inches and being very compact in form, **Golden Harmony** is ideally fitted for both border and bedding purposes. Each flower is of the quilled scabious type and has a single row of broad guard petals on the outer edge. The color is a luminous golden yellow—both the quilled center and the guard petals hold to the same bright color. **Golden Harmony** is very floriferous and is literally covered with hundreds of 2 inch flowers, which are 100% double.

Tr. Pkt., 50c

"Harmony" (Regular Strain) This small dwarf bedding variety is one of the best in its class. Scabious-like flowers, deep orange center with maroon collar. Should be freely used for flowering early in pots and growing in flats.

Tr. Pkt., 15c; 1 oz., 75c; 4 oz., \$2.50

NIEREMBERGIA Hippomanica. (Dwarf Cup Flower) A most outstanding novelty. Starts flowering in about 15 weeks after the seed is sown and keeps on right up until the heavy frosts of late fall. Grows not more than 4 to 6 in. high, forms a cushion of elegant light green foliage from which emerge corymbs of salver shaped flowers of a delicate lavender blue shade, heightened by a touch of yellow in the center. As an edging plant, for the border along a walk, or to outline beds of larger flowers, it has no equals, while for use in the rockery it is unexcelled and is extremely lovely in a window box or in flower pots.

Tr. Pkt., 50c; 1/32 oz., \$1.75

Nierembergia Hippomanica

NOVELTIES and ITEMS of SPECIAL MERIT

PANSY "New Super Giant Orchid-Flowering"

This Pansy selection includes all the beauties of the well-known and well-loved orchid-flowering mixture; the plentiful delicate shades, and pretty combinations of cream, primrose, salmon and mauve. The nobly-formed, wavy blossoms are of gigantic size, which entirely fulfill all that is demanded of an up-to-date Pansy.

Tr. Pkt., \$1.00; 1/8 oz., \$2.50

"New Super Giant Olympia"

This new strain contains the most brilliant colors. The flowers are of a very large size. Dark green foliage and of compact growth.

Tr. Pkt., \$1.00; 1/8 oz., \$1.75; 1 oz., \$12.00

PANSY "Coronation Gold"

This new giant golden Pansy is of special merit; the flowers are large and of a fine texture; the color a pleasing shade of pure deep yellow, suffused golden-orange and without eye. Trials have proved **Coronation Gold** to be the best of all **Yellow Pansies**.

Tr. Pkt., 75c; 1/8 oz., \$1.50

New Super Giant Orchid Flowering

PRIMULA CHINENSIS Double Dazzler. With the introduction of this double form in the same dazzling orange scarlet shade as that of the single form which was introduced some 2 or 3 years ago, the wealth of material for pot plant users has again been enriched. The flowers are carried well above the attractive foliage and are very freely produced. The doubling of the petals intensifies the color and adds to the beauty of the plant.

Tr. Pkt., \$1.00

Olympia Hybrids

PRIMULA SINENSIS FIMBRIATA "OLYMPIA HYBRIDS" (Benary) (Introducer's Description)

These giant Chinese Primulas are the result of crossing my Nobilis hybrids with the excellent "Light Pink Giant". Their circular, well-fringed, substantial flowers measure mostly 2½ ins. across; they combine to form enormous umbels which, borne on strong stems, stand erect above the foliage. Olympia hybrids contain the following colours: white with mauve zone, indian red, mauve pink, light and salmon pink, copper and deep red, light and dark purple. This rich mixture produces striking and excellent market plants.

PETUNIA HYBRIDA COMPACTA NANA "LADYBIRD" (Benary)

Special mention "All-America Selections for 1938"

Ladybird

Of uniform dwarf bushy growth, the deepest topaz rose, with hardly noticeable but darker veining toward the throat. The flower size is comparable with Rosy Morn. **Ladybird** is a distinct addition to this dwarf compact group. It could almost be called a red Petunia. Its resistance to the hot, dry climate of Central America proved to be so great that this quality in conjunction with its splendid color effect secured a "**Special Mention**" in the "**All America Selections**."

Tr. Pkt., \$1.00

PETUNIA "King Henry." A new extra dwarf and compact variety with the highly desirable color of **Black Prince** but of a fine pot plant habit. Large, deep velvety wine-red flowers.

Tr. Pkt., 50c; 1/32 oz., \$1.75

1/16 oz., \$3.00

PETUNIA "Admiral." Our supply of Admiral is exclusively from the German originator. Very uniformly dwarf, fairly dark blue and medium size. Flowers attractively ruffled.

Tr. Pkt., 50c; 1/32 oz., \$1.50; 1/16 oz. \$2.50

PETUNIA "Hollywood Star." The color of this lovely new Petunia is a charming shade of rich rose with an amber throath. This Petunia is unique in the form of its flower which consists of a five pointed star. It is a very fine garden variety as it is early and free blooming and the strong vigorous plant is so smothered in blooms that hardly any foliage shows. **Award of Merit** by "All America Council."

Tr. Pkt., 50c; 1/8 oz., \$1.25

PETUNIA RUFFLED GIANT "Marilyn." This new introduction is of the popular **Ruffled Giant** type, with large, shallow, open throated flowers, ruffled but not fringed, 4-5 inches in diameter, in a very luscious shade of **Salmon Rose** strongly veined deeper salmon rose. **Marilyn** is unquestionably the most attractive color now available in any Petunia variety.

Tr. Pkt., \$1.00

PETUNIA GIANTS OF CALIFORNIA "Bodger's Supreme Florist Strain." This new mixture consists of a color range comprising the **lighter rose** and **pink shades**. Very large ruffled, shallow open throated flowers, which are freely produced on strong growing plants. It is an excellent bedding variety as well as a fine window box type.

Tr. Pkt., \$1.00; 1/64 oz., \$2.75

NOVELTIES and ITEMS of SPECIAL MERIT

SAINTPAULIA (New Crop Seed in Stock)

Saintpaulia Ionantha Cordata

Ionantha Grandiflora

(Usambara Violet). A dwarf, showy pot plant with small Gloxinia-like leaves. Beautiful dark blue flowers, resembling those of a Sweet Violet. Very free and large flowering.

Ionantha Cordata

Very dark heart-shaped leaves, strong growth, large flowers of a lavender-blue color. The many blossoms carried on strong stems freely above the foliage give this plant a pretty and grand effect. Blooms in 6 months from seed and is noted for its long flowering period. Comes true from seed.

Tr. Pkt., \$1.00;
1/128 oz., \$6.00

PETUNIA "Rose Queen Improved." (Award of Merit, Royal Horticultural Society.) Another distinct addition to the dwarf, compact bedding group. A very free flowering variety of an extremely **vivid deep rose** color.

Tr. Pkt., 35c; 1/4 oz., \$1.00; 1 oz. \$3.50.

SALVIA SPLENDENS "ST. JOHN'S FIRE" (Benary)

This new, precious Sage blooms extremely early, a fortnight before "Firebrand," from which it originates. Plants remain nevertheless handsome until they succumb to the autumn frosts. They grow only 10" tall, are very thickly and strongly ramified, so that the compact bushes reach a diameter of up to 18".

When in full bloom, mid August, the bright scarlet flower spikes 6" to 7" in length stand densely and rigidly upright on the compact plants. Habit and height of all plants are entirely uniform, forming in a mass an even, dazzling scarlet carpet. The ideal of all raisers, viz. earliest, durable, richest profusion of flowers with uniform dwarf habit of plants should have been realized by the introduction of "St. John's Fire."

Tr. Pkt., \$1.00
500 seeds \$2.00
1000 seeds \$3.50

St. John's Fire

SALVIA "Firebrand." Brilliant scarlet. Early flowering, fairly dwarf, and exceptionally uniform habit.

Tr. Pkt., 50c; 1/4 oz., \$1.00; 1 oz., \$3.50

SALVIA "Salmonea." Long spikes of salmon-rose. A new color.

Tr. Pkt., 50c; 1/4 oz., \$1.00; 1 oz., \$3.50

NOVELTIES and ITEMS of SPECIAL MERIT

SCABIOSA IMPERIAL GIANTS "Blue Moon"

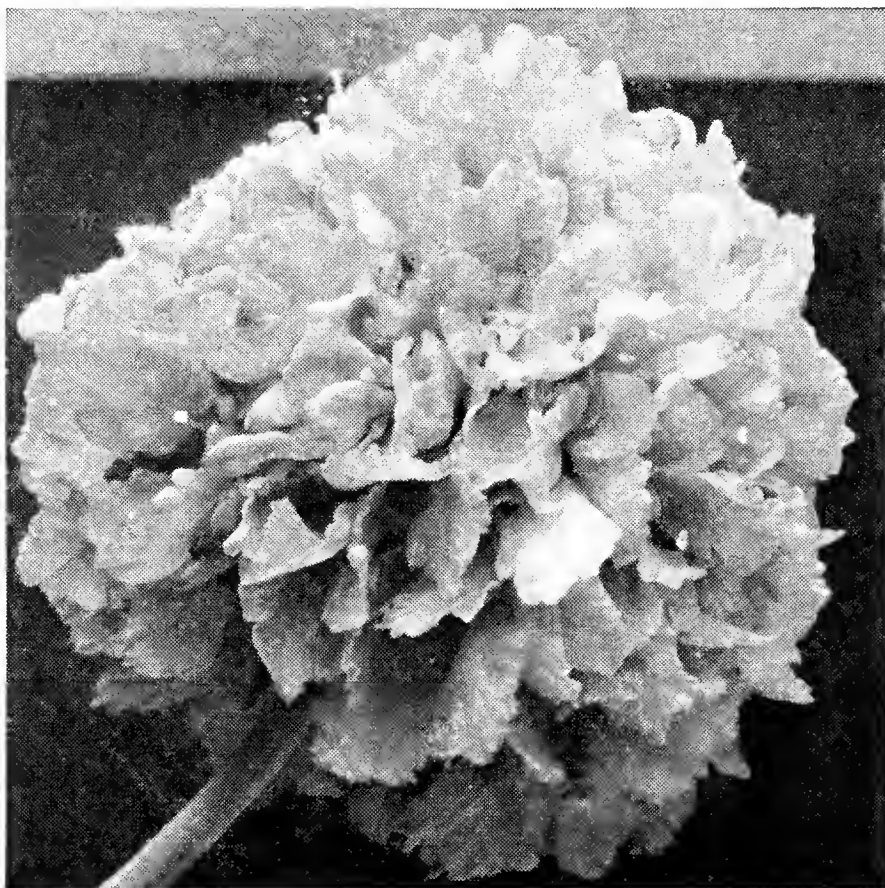

The flower form of this new Scabiosa is as different from the existent Scabiosa varieties as Dahlia Flowered Zinnia differs from the old Zinnia types. This new type has flowers composed entirely of broad, heavy, wavy petals, eliminating the pincushion center entirely. In other words, the flower is literally fully double. **Blue Moon** is an ideal cutting type, because of the stem length, fully 27" even when field grown, and especially because the large beautifully shaped flowers are a luscious shade of deep lavender blue so hard to find in annual flowers.

Tr. Pkt., 50c

SCABIOSA GRANDIFLORA "Rosette."

A glorious new color in Annual Scabiosa. A beautiful shade of deep rose heavily suffused with salmon. The flowers are extra large and the stems are long and stiff.

Tr. Pkt., 25c; 1 oz., \$.175

Scabiosa Imperial Giant Blue Moon

SCABIOSA GRANDIFLORA "Salmon Beauty." Pure salmon color with huge flowers.

Tr. Pkt., 35c; 1 oz., \$2.00

SCABIOSA GIANT FLOWERED HYBRIDS. A well-balanced mixture of all the brightest colors in this class. Long-stemmed and valuable for summer cutting.

Tr. Pkt., 15c; 1 oz., 50c

SOLANUM "Miniature Bell." Interesting 1 to 2 inch bell-shaped fruit in white, green and red.

Tr. Pkt., 30c; ¼ oz., 75c; 1 oz., \$2.50

SEDUM REFLEXUM "CHAMELEON"

Not only when in flower is this peculiar variety of Sedum a surprise and ornament in every rockery. The plants are dwarf and of spreading habit. Growth starts green, gradually turning buff or light brown shades as season advances. Bright yellow flowers in mid-summer. This first richly variegated stonecrop is worthy of notice.

Tr. Pkt., 50c

NOVELTIES and ITEMS of SPECIAL MERIT

TITHONIA SPECIOSA GRANDIFLORA FIREBALL (Bodger)

Dazzling as a ball of fire poised high above other flowers, Fireball is, undoubtedly, the last word in brilliance of color in a fall blooming plant. Many who have known and enjoyed *Tithonia Speciosa* have considered it the brightest possible flower for fall use. With the introduction, however, of Fireball, this older variety is entirely overshadowed. Fireball is a very brilliant, vibrant shade of scarlet orange, the petals in dazzling contrast to the clear yellow center. The gaily colored flowers are single, very large, $4\frac{1}{2}$ to 5 inches in diameter, and are carried on fine long stems. The plants are very tall, some reaching a height of 8 or 9 feet, with a fairly heavy growth of grayish green, wooly foliage. They are, however, neat in appearance, filling in well from the very base of the plant to the top, and unlike the older *Tithonia Speciosa* do not become ragged looking. In southern warm districts, seed should be sown in late spring outdoors, while in the northern sections it should be started indoors and the plants set out after danger of frost has passed. *Tithonia Fireball* is a tender annual, flowering late in the season, and is not subject to plant diseases. It is extremely showy in the garden and an excellent new cut flower variety. The flowers will keep five or six days when cut.

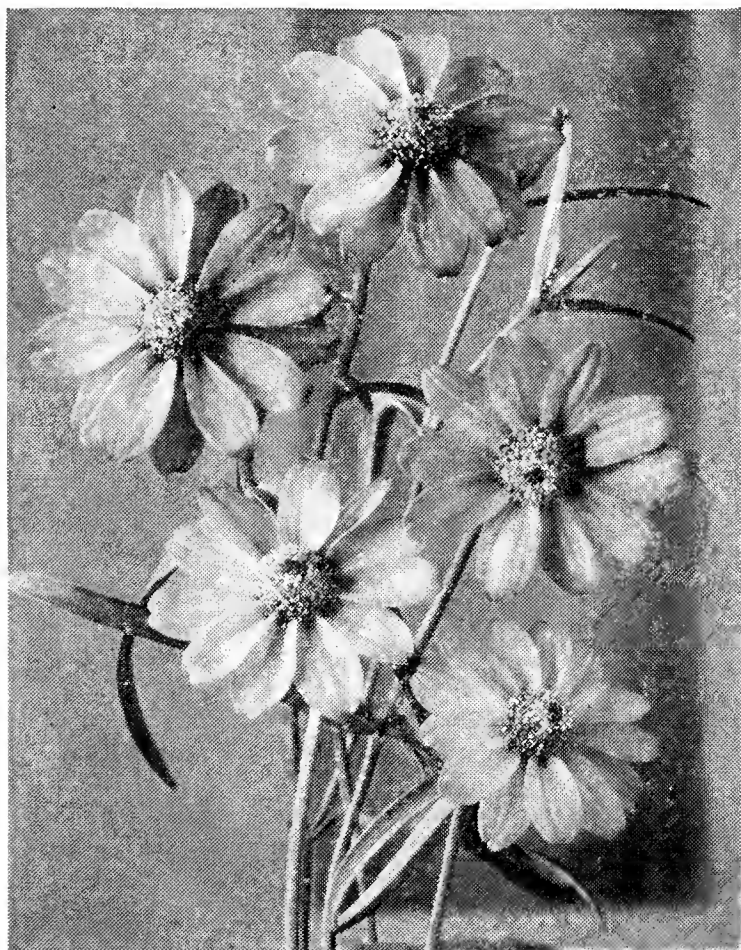

Tr. Pkt., 50c; $\frac{1}{4}$ oz., 75c; Oz., \$2.75

TORENIA Fournieri Compacta Nana "Gefion." A variety from Italy, especially dwarf and compact, fine for pots, blue.

Tr. Pkt., 35c

ZINNIA Gaillardia Flowered Finest Mixed. Another of the newer Zinnia types which does strongly remind one of the *Picta Double Gaillardia*. The plants are about 2 feet tall and very free flowering. The flowers are about 2 in. in diameter and carried on stems of medium length. The colors range through the mellow tones of rose, pink, bronze, yellow, orange, lavender and combinations of these colors. Most of the flowers, in fact, are two toned, with a ring of deeper color toward the center of the flower.

Tr. Pkt., 20c; $\frac{1}{4}$ oz., 35c; 1 oz., \$1.00

Zinnia Linearis

ZINNIA Linearis. The most unusual and interesting of the newer Zinnias is the little dwarf variety. The flowers, which are single are a lovely shade of golden orange, with a delicate lemon yellow stripe through each petal. It is extremely early blooming, the plants reach a height of 8 to 10 inches, the flowers are produced in great profusion, literally hundreds being open at a time. Extremely valuable for border or edging use and is excellent for window boxes or in any part of the garden where a dwarf growing plant with brilliant coloring is desired.

Tr. Pkt., 30c; $\frac{1}{4}$ oz., 60c; 1 oz., \$2.00

ZINNIA Early Wonder. A new race of dwarf, early flowering Zinnias, producing masses of *Pumila* type flowers on long nearly leafless stems. **Mixed colors.**

Tr. Pkt., 20c; $\frac{1}{4}$ oz., 35c; 1 oz., \$1.25

ABRONIA

Umbellata. (Sand Verbena) Rose, 10 in.
Tr. Pkt., 15c; 1 oz., 40c

ABUTILON

Hibiscus-Flowered Hybrids. Large flowering.
Tr. Pkt., 35c; 1/8 oz., \$1.25

ACHIMENES

An excellent pot plant. Beautiful flowers, in a wide variety of color. Adaptable for hanging baskets. It blooms throughout the summer and is readily grown from seed.
Tr. Pkt., 75c

ACROCLINIUM (Everlasting)

New Giant Double Hybrids. A strawflower for spring cutting. Extra large flowered semi-double, fine colors with black centers.
Tr. Pkt., 25c; 1 oz., 75c

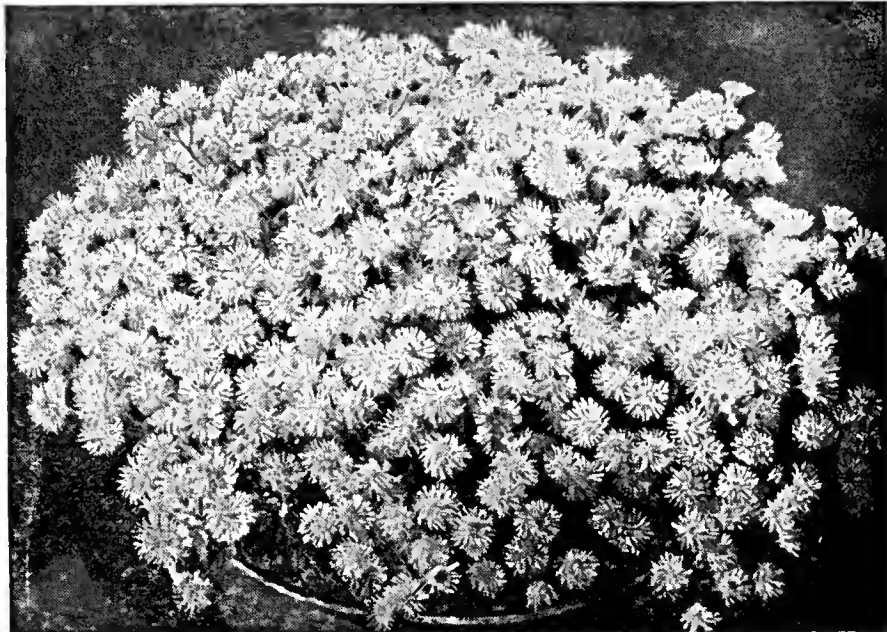

ADONIS

Aestivalis. (Flos Adonis) Red flowers, pretty, contrasting foliage.
Autumnalis. A desirable red flowering variety.
Tr. Pkt., 15c; 1 oz., 25c

AGATHEA

Coelestis. (Blue Border Daisy) Blue, free flowering.
Tr. Pkt., 15c; 1/4 oz., 30c; 1 oz., \$1.00

AGERATUM

Little Silver Star

BLUE CAP. (New) Dwarf, larger flowers than Little Blue Star and deeper in color.
Tr., Pkt., 30c; 1/4 oz., 75c; 1 oz., \$2.50

BLUE BALL. A very good even and free flowering strain. 6 in.
Tr. Pkt., 15c; 1 oz., 75c

LITTLE BLUE STAR. Dwarf and compact grower. Charming blue flowers.
Tr. Pkt., 25c; 1/4 oz., 60c; 1 oz. \$2.00

Aster Imbricated Pompon

ASTERS—(Wilt-Resistant)

Aster American Branching

Bodger's Wilt Resistant Strains

Although planted on the very sickest soil, will withstand the attacks of wilt fungus and develop into strong, healthy plants. All of the following are strains produced by Bodger Seeds, Ltd., a pioneer in the interest of developing Wilt Resistant Asters.

AMERICAN BRANCHING. Large, double and well-formed flowers. Branching habit, 2½-3 feet high, good for cutting.

| | | |
|----------------------------|---------------------------------|-----------------|
| Azure Blue (Light) | Coppery Rose | Crimson |
| Scarlet (Sensation) | Shell Pink (Mary Semple) | |
| Purple | White | Or Mixed |

Tr. Pkt., 30c; ¼ oz., 50c; 1 oz., \$1.50

AMERICAN BEAUTY. Plants 2½ to 3 feet high, with long, heavy stems; large, compact flowers.

| | | |
|----------------------------|--------------------------------|------------------|
| Azure Blue (Light) | Crimson | Deep Rose |
| Purple or Dark Blue | September Beauty (Pink) | |
| White | Or Mixed | |

Tr. Pkt., 30c; ¼ oz., 50c; 1 oz., \$1.50

EARLY BEAUTY. Flower from early July until frost. The plants are from 2½-3 feet, with long, stout stems bearing large well-formed flowers. An excellent range of colors provided in this mixture.

Tr. Pkt., 30c; ¼ oz., 50c; 1 oz., \$1.50

GIANT CREGO. (Branching Comet) Full double Comet type, large flowering and free blooming. Beautifully curled and twisted petals.

| | | | | |
|--------------------------------------|--------------------------|----------------------------|--------------------|--------------------------|
| Azure Blue (Light) | Cattleya (Orchid) | Crimson | Dark Violet | Deep Rose |
| Blue Flame (Bright navy blue) | | Purple or Dark Blue | | Pink (Shell Pink) |
| Enchantress (Salmon Rose) | White | Or Mixed | | |

Tr. Pkt., 30c; ¼ oz., 50c; 1 oz., \$1.50

QUEEN OF THE MARKET. Standard early flowering type, branching habit.

| | | | | | |
|----------------|------------------|-------------------|-------------------|--------------|-----------------|
| Crimson | Dark Blue | Flesh Pink | Light Blue | White | Or Mixed |
|----------------|------------------|-------------------|-------------------|--------------|-----------------|

Tr. Pkt., 20c; ¼ oz., 35c; 1 oz., \$1.25

BALL'S WHITE EARLY. White, crested center, branching habit, growing 2 to 2½ feet high.

Tr. Pkt., 30c; ¼ oz., 50c; 1 oz., \$1.75

BALL'S Deep Rose. Bright deep rose, blooms August 25 to September 5.

BALL'S Deep Purple. Bright deep purple, blooms August 25 to September 5.

BALL'S Phlox Pink. Clear light rose pink. Perfect American Branching habit, blooms September 5 to 10.

Tr. Pkt., 30c; ¼ oz., 50c; 1 oz., \$1.50

GOLDEN SHEAF. The deepest yellow aster yet offered, and the only one that is wilt-resistant. The flowers are fully double, with an attractive crest-like center, of good substance and fine depth of petal. The flowers last well when cut, and are excellent shippers.

Tr. Pkt., 30c; ¼ oz., 50c; 1 oz., \$1.75

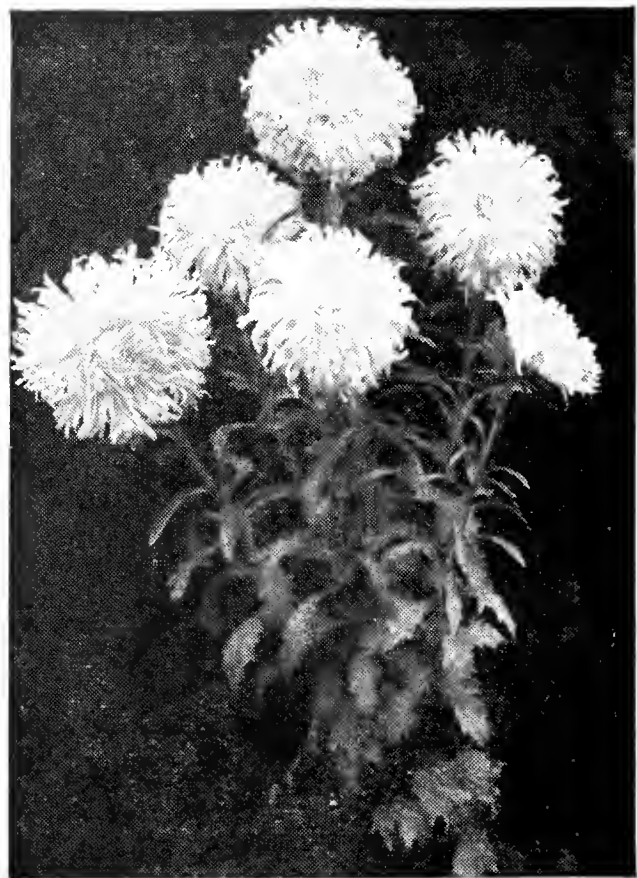

HEART OF FRANCE (Late) Rich dark red, which deepens with maturity. Remarkably different, showing velvety petals with a fascinating glow.

Tr. Pkt., 35c; ¼ oz., 60c; 1 oz., \$2.00

REGULAR AMERICAN ASTERS

CALIFORNIA GIANTS. Vigorous growers, non-lateral type and bloom from mid-season until frost. The cut flower growers' favorite.

| | | | | |
|--|-------------|------------|--|-------|
| Carmine Rose | Dark Purple | Light Blue | Peach Blossom | White |
| Tr. Pkt., 35c; ¼ oz., 60c; 1 oz., \$2.25 | | | | |
| Finest mixed..... | | | Tr. Pkt., 30c; ¼ oz., 55c; 1 oz., \$2.00 | |

Super Giant Asters

SUPER GIANT LOS ANGELES. The largest and most fully double Aster. The shell pink flowers are 6-in., across, with gracefully interlacing petals. Grow 2-ft. tall, with 6 to 8 long, non-lateral stems per plant. General habits of Giants of California, but earlier and much larger blooms.
Tr. Pkt., 50c; ¼ oz., 75c; 1 oz., \$2.50

SUPER GIANT EL MONTE. A companion to Super Giant Los Angeles. Deep glowing crimson, and the only really large flowering crimson Aster. True Super Giant type with 6-in. blooms, and 6 to 8 non-lateral stems per plant.
Tr. Pkt., 50c; ¼ oz., 75c; 1 oz., \$2.50

IMPROVED GIANT CALIFORNIA SUNSHINE. This fascinating new Aster type, is fast becoming a sales leader for Florists. The flowers, 4 to 5 inches across, are composed of a single row of loosely placed outer petals which contrast with the unique yellow quill-like center disc. Long, heavy stems on plants from 2 to 3-ft. high. A mixture of the finest colors.
Tr. Pkt., 35c; ¼ oz., 60c; 1 oz., \$2.25

BALSAM

Improved Double Camellia Flowered. A prize mixture of extra doubles in a wide range of colors.
Tr. Pkt., 15c; ½ oz., 30c; 1 oz., 50c

BRACHYCOME

Iberidifolia. (Swan River Daisy) Floriferous annual in a choice mixture of colors.
Tr. Pkt., 15c; ½ oz., 40c; 1 oz., 60c

BROWALLIA

Speciosa Major. A fine pot plant. Large rich blue flowers. Tr. Pkt., 40c; 1/32 oz., \$1.00
Speciosa Major Alba. Pure white flowers. Tr. Pkt., 50c; 1/64 oz., \$1.50.
Viscosa Compacta Sapphire. Excellent pot plant. Compact grower. Dark blue flowers, light eyed.
Tr. Pkt., 35c; 1/16 oz., \$1.00

BEGONIA TUBEROUS ROOTED

Begonia Froebelli. Brilliant scarlet flowers. A pretty winter flowering specie.
Tr. Pkt., \$1.00; 1/128 oz., \$1.75; 1/64 oz., \$3.25
Semi-Double Narcissus-Flowered. A rather striking variety. The flowers, as the name indicates, resemble the Narcissus. From 50-60% of the seedlings will develop this characteristic. A mixture which contains such rare colors as Yellow, Rose, Salmon-rose, and Red.
Tr. Pkt., \$1.00; 3 Tr. Pkts., \$2.50
New Multiflora Fl. Pl. Varieties. (See Novelty Page 2).

Rex Begonias

Finest Mixed. A mixture containing only the choicest colorings.
Tr. Pkt., \$1.50; 3 Tr. Pkts., \$4.00

BEGONIAS

NOTE: Many leading Begonias are the result of crosses, and if their seed is harvested and grown by others, the seed of the second generation segregates and produces worthless mixtures. Therefore, our seed comes direct from only the most renowned Specialists (Originators wherever possible) and can be depended upon to produce plants true to name and which will show a marvelous uniformity in growth.

Begonia Carmen

NEW BEGONIA "RED and ROSE PEARL"

(See Novelty Page 1)

Carmen Rose. Carmen Red. Dwarf, bushy growers, with deep dark brown foliage. All are exceptionally free flowering and make beautiful showy pot plants.

Tr. Pkt., 75c; 1/64 oz., \$1.75;
1/32 oz., \$3.25

DARLING (Liebling). Very large flowers of a pretty, brilliant rose color. Grows 6 to 7 inches high; free branching habit. One of the best winter-flowering (Semperflorens) Begonias. An excellent all year 'round pot plant, especially for sales from Christmas to Mothers' Day. And, because of this early-flowering habit, is invaluable for outside plantings in spring. Originator's true seed.

Tr. Pkt., \$1.00; 3 for \$2.50

LUMINOSA COMPACTA. Grows about 5-in. and produces masses of glowing red blossoms on thin stems. A profuse bloomer, so prolific that the flowers practically hide the small dark-brown leaves. Extraordinarily effective.

Tr. Pkt., \$1.00; 1/64 oz., \$3.00; 1/32 oz., \$5.50

Enchantress. Flesh rose color, better than Prima Donna.

Fire Sea. Dark red flowers with reddish green foliage. An old favorite.

Glow. Large flowering dark red with bronze foliage. Excellent pot plant.

Prima Donna. (Schmid's) The best pink gracilis with beautiful large flowers.

Rosabella. Delicate rose, extra dwarf. Perfect substitute for Lorraine Begonias.

Zauberin. Brilliant pink, 2-in. blooms, attains height of 6 in., fine pot plant.

Tr. Pkt., 75c; 1/64 oz., \$2.00; 1/32 oz., \$3.50

Glory of Erfurt. Large bright carmine flowers.

Indian Maid. Deep metallic bronze foliage; rich scarlet flowers.

Lightning. Deep red, dark green foliage edged light brown, grows 9 in. high.

Tr. Pkt., 75c; 1/128 oz., \$1.25; 1/64 oz., \$2.25; 1/32 oz., \$4.00

Christmas Cheer. Large flowering dark crimson scarlet, excellent for bedding.

Gustave Knaake. Large fiery crimson blossoms with light green tender foliage.

Luminosa. Fire-red with satiny dark brown-red foliage.

Radio. Carmine scarlet, very large flowers, and a strong growing variety.

Salmon Queen. Bright salmon, shading into salmon rose.

Schwabenstolz. Massive dark carmine flowers, early and semi-dwarf.

White Queen of the Groups. Large white blossoms, light green foliage.

White Pearl. A superior white with light green foliage.

Tr. Pkt., 50c; 1/64 oz., \$1.25; 1/32 oz., \$2.00

Albert Martin. Bright crimson scarlet with dark foliage.

Tr. Pkt., 50c; 1/32 oz., \$1.00

Finest Mixed. All Colors.

Tr. Pkt., 40c; 1/16 oz., \$75c

CACALIA (Tassel Flower)

Sanchifolia Coccinea. A contrasting scarlet. Tr. Pkt., 15c; ½ oz., 30c; 1 oz. 50c.

CALCEOLARIA HYBRIDA

Calceolaria "Flower Cloud"

FLOWER CLOUD. (New) Extremely free flowering, in all colors. Dwarf, compact, medium sized flowers.
Tr. Pkt., \$1.00; 3 Tr. Pkts., \$2.75
1/128 oz., \$3.75

ALBERT KENT HYBRIDS. Large flowering, varied colorings spotted and blotched. Grows 12-14 in. high.
Tr. Pkt., 75c; 1/128 oz., \$1.25
1/64 oz., \$2.25; 1/32 oz., \$4.00

KELWAY'S PERFECT MODEL. Originators' stock. Most marvelous variety of shades and markings. Self-spotted, blotched and striped.
Tr. Pkt., 75c; 1/128 oz., \$1.50
1/64 oz., \$2.75; 1/32 oz., \$5.00

GRANDIFLORA NANA. A dwarf variety with extra large flowers. Many beautiful colors and can be had Tigered, Blotched, or Mixture of both.
Tr. Pkt., 75c; 1/128 oz., \$1.50;
1/32 oz., \$5.50

MULTIFLORA NANA. Medium dwarf grower and very free flowering. Blooms average 1½ inches, and this most desirable type is now available in the following colors:
Golden Tiger. Bright golden yellow with brownish red spots.
Tr. Pkt., \$1.00; 1/128 oz., \$2.00; 1/64 oz., \$3.75
Indian Prince. Rich dark scarlet suffused with orange.
Tr. Pkt., \$1.00; 1/128 oz., \$2.50; 1/64 oz., \$4.50
Deep Crimson. Shining dark velvety crimson; very effective.
Tr. Pkt., \$1.00; 3 Tr. Pkts., \$2.50
Multiflora Nana Mixed. Gay contrasting color schemes.
Tr. Pkt., \$1.00; 1/128 oz., \$2.00; 1/64 oz., \$4.00; 1/32 oz., \$7.50

SMALL FLOWERING VARIETIES

Rugosa. Finest shrubby varieties with innumerable small flowers, mixed.
Rugosa Aurea. (Golden Rain). A mass of yellow flowers.
Rugosa Major. A mixture having larger flowers than "Rugosa."
Rugosa Major Triumph of the North. Yellow, large flowering.
Tr. Pkt., \$1.00; 3 Tr. Pkts., \$2.50

CAMPANULA
Annual Canterbury Bells

Angelus Bell. Deep rose. **Blue Bell.** Cambridge blue. **Liberty Bell.** Deep violet-blue.
Mission Bell. Clear pink. **Wedding Bell. (New)** White.
Separate colors or Mixed.
Tr. Pkt., 15c; ¼ oz., 30c; 1 oz., \$1.00

CALENDULA

Improved Sensation. Bright orange.
Ball's Apricot. Apricot, brown center.
Ball's Gold. Rich golden yellow.
Ball's Lemon Queen. Dark center.
Ball's Long Orange. Leading orange.

Ball's Masterpiece. Long-stemmed deep orange with brown center.
Ball's Supreme. Orange, dark center.
Ball's White. White, dark eye.
Mixture of these named varieties.

Tr. Pkt., 35c; ¼ oz., 50c; 1 oz., \$1.75; 2 oz., \$3.00

Chrysantha Calendulas

BEDDING CALENDULAS

Chrysantha Orange Sunshine. New companion to yellow Sunshine. Clear light orange flowers with dainty incurved petals. Unusually long and firm stems, making it excellent for cutting.

Chrysantha Yellow Sunshine. Clear light yellow flowers, fully as large as Sensation or Ball's Orange, and with good strong stems for cutting. Loose, but dainty incurved flower petals, giving the appearance of a Chrysanthemum.

Orange Shaggy. Deep orange, shading lighter at center. Petals deeply fringed or lacinated. Long, strong stems for cutting.

Radio. Bright orange, quilled petals.
Lemon Queen. Light Golden yellow.

Orange King. Deep orange, dark center.
Meteor. Creamy white, striped orange.

Bodger's Pastel Bedding Mixture. Designed especially for outdoors, this mixture contains many new shades of apricot, cream and white, as well as the better known orange and lemon. Adapted for borders and stems are long enough to cut.

Prices on all Bedding Calendulas: Tr. Pkt., 15c; 1 oz., 50c; ¼ lb., \$1.50

CALLIOPSIS

Bicolor. (Tinctora). Yellow and brown, 3 ft.

- Regale. (Regal Lily) Pink outside, interior yellow.
Tr. Pkt., 20c; 1 oz., 50c

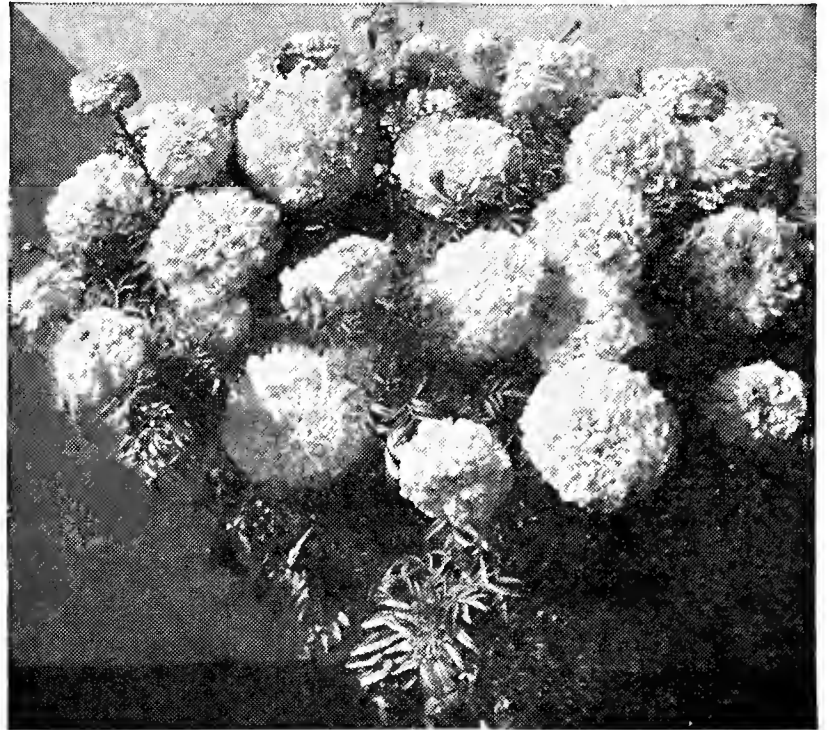

Philippinense Formosanum

MARIGOLD

Gigantea Sunset Giants

Largest flowering Marigold ever known. Blooms average 5 inches and some get much larger. And, the most distinctive characteristic is a definite sweet fragrance, instead of the usual Marigold odor. The plant is extremely strong growing, with six to eight heavy branches, each bearing three to six large flowers. Gigantea Sunset Giants is a mixture ranging from deep orange through golden orange, deep golden yellow, light yellow, lemon yellow and a delightful new shade of primrose. The strain comes from 60 to 65 per cent double.

Tr. Pkt., 30c; ¼ oz., 50c; 1 oz., \$1.50

Gigantea Sunset Giants

Chrysanthemum Flowered Hybrids. New incurved type, fully double, large and extra free flowering. Plants are about 3 feet high, supporting masses of flowers on fine strong stems for cutting. Colors contain many shades of orange and yellow.

Tr. Pkt., 30c; ¼ oz., 70c; 1 oz., \$2.50

Crown of Gold. Given more publicity than any other flower last season. Its main claim to glory is the fact that there is absolutely no trace of the characteristic Marigold odor in the foliage, stems or flowers. The flowers, about 2½ inches in diameter, are a lovely golden orange shade with a full crested center of small tubular petals surrounded by a single row of broad guard petals.

Tr. Pkt., 20c; ¼ oz., 30c; 1 oz., \$1.00

Tall African Varieties

| | Tr. Pkt. | ¼ oz. | 1 oz. |
|--|----------|--------|--------|
| Alldouble Orange. Producing about 90% fully large double flowers..... | \$0.25 | \$0.50 | \$1.50 |

|--|----------|--------|
| Orange Queen. Double, imbricated orange flowers | \$0.15 | \$0.50 |
| Primrose Queen. Double, imbricated light Primrose | .15 | .50 |
| Double Dwarf African Mixed | .15 | .40 |

NEW DWARF AFRICAN MARIGOLDS. "Floribunda Little Giant" and Tom Thumb "Golden Crown" (See Novelty Pages 5 and 6)

Winter Flowering Varieties

Australian Giant Tree. Flowers of golden yellow with brown. Grows 4-4½ ft. high. Very late blooming type. Fine for late outside plantings in mild climates, or excellent for winter cut flowers when greenhouse grown.

Tr. Pkt., 25c; 1 oz., 80c

Lieb's Winter Marigold. Distinctly sweet scented. Golden yellow crested center with deep mahogany brown outer petals. Flowers five weeks after sowing. Real winter cut flower. Sow from August to December.

Tr. Pkt., 30c; ¼ oz., 60c; 1 oz., \$2.00

MARIGOLD (Continued)

Dixie Sunrise

Yellow Supreme

Harmony

DIXIE SUNRISE. (New) Tall growing, finest foliage of all Marigolds, and 100% fully double golden yellow flowers. (See Novelty Page 5 for description.)

Tr. Pkt., 50c

GUINEA GOLD. Attractive golden orange flowers, 2-3 in. and very freely produced throughout the summer. **Guinea Gold** and **Yellow Supreme**, both of the **Carnation-Flowered** type are very valuable for cutting.

Tr. Pkt., 20c; ¼ oz., 30c; 1 oz., \$1.00; 4 oz., \$3.50

YELLOW SUPREME. Lemon yellow, loose petaled flower. Similar to Guinea Gold in habit.

Tr. Pkt., 20c; ¼ oz., 30c; 1 oz., \$1.00; 4 oz., \$3.50
